## EXPERIENCE

### Personal & Academic Projects — Web Developer

2025 – PRESENT

- Developed multiple frontend and full-stack web applications using React and JavaScript
  - Practiced REST API integration, user authentication, and MongoDB CRUD operations
  - Strengthened problem-solving skills through real-world, project-based development
- 

## PROJECTS

### Buzz'sHub — Community Club Management Platform

- Full-stack MERN application designed to manage local community clubs
- Features include user authentication, role-based access, club management, event management, and Stripe payment integration
- Technologies: React, Node.js, Express.js, MongoDB, Firebase, Stripe

### IEHub — Import & Export Management Platform

- Full-stack MERN web application for managing product import and export operations
- Users can import and export products and track their activities through a dedicated dashboard
- Implemented structured product management with secure user authentication
- Technologies: React, Node.js, Express.js, MongoDB, Firebase

### Hero IO — App Download Center (Frontend Web Application)

- Developed a frontend web application that allows users to browse and install apps
- Created mock app data using fake JSON to simulate real-world API behavior
- Implemented app installation logic using browser localStorage
- Displayed installed applications dynamically on a dedicated “Installed Apps” page
- Focused on clean UI, state handling, and frontend logic
- Technologies: HTML, CSS, JavaScript, React

### Personal Portfolio Website — React

- Responsive personal portfolio website to showcase projects and technical skills
- Built using Kiro Agentic AI through prompt-based development

---

## SKILLS

- JavaScript (ES6+), React.js
  - HTML5, CSS3, Tailwind CSS
  - Node.js, Express.js, REST API Development
  - MongoDB
  - Git, GitHub, Firebase Authentication
  - Thunder Client, VS Code
- 

## EDUCATION

**Lamchari Karamatia Fazil Madrasha, Lakshmipur — Dakhil (SSC Equivalent)**

**JAN 2023 – FEB 2025**

---

## LANGUAGES

- Bangla — Native
  - English — Professional Working Proficiency
  - Urdu — Conversational / Passionate Learner
- 

## AVAILABILITY

Open to **Internship** and **Junior / Entry-Level MERN Stack Developer** roles.

Motivated to learn, grow, and contribute to real-world projects in a collaborative environment.
